

Board of Directors Call for Interest

PrimaCare Community Family Health Team (PCCFHT) was established in 2006 to bring the collaborative interdisciplinary primary care model that is Family Health Teams to Brant County. With locations in Ayr, Paris and St. George, the PCCFHT works in partnership with nine physicians to provide high-quality, comprehensive team-based primary care to almost 15,000 members of the community.

PCCFHT is comprised of 24 staff reporting directly to the Executive Director and receives annual funding from Ontario Health. Staff include Registered Nurses, Nurse Practitioners, Pharmacists, Social Workers, Dietitians, a Mental Health Counselor, a Chiropodist and Administrative staff.

Health Care in Ontario is in a state of significant change. The Ontario government has announced significant funding to help stabilize the primary care sector. In the recent announcement, one of the statements highlighted the government's intention to introduce targeted strategies aimed at addressing recruitment and retention challenges within primary care. Specifically, the plan mentions initiatives to support family doctors, nurse practitioners, and allied healthcare professionals. PrimaCare FHT, as part of the Brantford, Brant, Norfolk Ontario Health Team (BBNOHT) is ready to work with our partners and the Ontario government to ensure that primary care is accessible to as many people in our community as possible.

Due to upcoming vacancies, there is a need for a committed Director to join our Board that is comprised of physicians and community volunteers. As the PCCFHT is committed to best practices in governance, an important prerequisite to strong governance is having a Board that comprises individual directors who, collectively, have the full range of skills, expertise, and experience necessary to oversee leadership and otherwise fulfil its mandated duties and responsibilities. While the appropriate technical skills and experience are essential, equally important are the diverse personal attributes and competencies a prospective Board Director will bring to the table.

This is an exceptional opportunity to contribute to the oversight and continued development of The PrimaCare Community Family Health Team.

To express your interest in this Directorship, please submit your resume and related information confidentially to Tina Gabriel, Executive Director, at tgabriel@pccfht.ca
